number. Fairly

I only wd. you to say, on my return from the Ky camp.

I got the "Roberts Fellowship of Mathematics" widow upon the plan of the "M. Hendree" endowment - at 10,000 \$ - the stock all taken - this was another fine triumph, & I wish you to let it be known generally.

The young man you spoke of, will no doubt be wanted, but I left before the close of camp, & cannot give particulars now, but will do so, on my return from Penn^a, whither I start this evening.

I am in too great haste to write now, & beg you will excuse me, I expect to be back in 3 weeks - College is going fairly - as ever affly
M. Mascon.

Rev. J. B. Fairley

P.S. The Ky camp will write with this in the "Paper" interesting - I saw the report myself, but it was not set on paper I left - it will carry news - Mascon.
