G. Bro. August 5th 1829, Millard -
My mind has been led to contemplate the
the situation of the Indians, (who with
others, I believe to be the Ten tribes of
Israel), I have wrote an Essay on Facts
and thoughts relative to them, the
Facts are collected from Scripture and
The Thoughts are some of them mine
originally, and some of them collected
from others which I subscribe unto, it is
not calculated to entertain the Learned or
the Critick but is adapted to the situation
of the Indians, It may furnish them
them with some instruction and encour-
agement, I have a thought of sending
it to you by Bro. Davison, you may look
over it, and if you approve of it, I had
a thought of putting it into your Fathers
hands if he will put it into form and I

publish it and give the Indians some
copies of it, and me a few of them. he
may have the use of what he can make
by them, I gave the manuscript to a young
^{man} to draw of, but he has not put it into that
form that I could wish it, as to sentences
and sections, your Father if he sees good
to undertake it, can prepare it for the
press, If it does not meet with your appro-
bation I want you to send it back by
Bro Davison to me, The Lord bless you
and be with you all in conference
and prosper his work in the world
