Touro, where everyone knows your name.

Lessons you learned

For every petal you pluck from a daisy,
 You're granted one measure of love.
 For every rainbow you find with two ends,
 I wish you two stars from above.
 For every tear you brush from a cheek,
 I promise kindness will follow.
 Wherever you walk, under a rainbow or stars,
 Over daisies, or down lonely hollow.
 For every child you play with and talk to,
 I grant you one heart full of laughter.
 For every smile you place on a face,
 I promise you peace ever after.
 If you think "I" am giving you priceless gifts,
 Look close at yourself and your deeds.
 The gifts you earned were the lessons you learned
 While answering other folks' needs.
