## STUDENT ASSOCIATION MINUTES

The Executive Council met at 6:00 pm on April 18, 1967. All members were present except Linda Byrd, Barbara Neely, and Sherry Balthrop.

The meeting opened with a report on the Prayer Breakfast attended by several of the Council members. David Smith asked Mike Moore to prepare a file on the Breakfast.

The group next decided to meet at 8:15ppm on Wednesday, April 19, for the purpose of working on the slogans and posters for "Earbook" advertisement.

David reported that Dr. Ganus would like to meet with the Council and others next week. The group agreed that either 10:00 am Tuesday, April 25, or Wednesday night at 5:00 pm would be most convenient. David agreed to post Dr. Ganus's decision concerning the time of the meeting.

Next, David read the by-laws formulated to govern cheerleader elections. The date for elections was left flexible, but limited to the spring semester. The actual date will be decided by the SA President and the present cheerleaders. A committee of no less than seven members was designated as necessary for judging the applicants. The number of cheerleaders to be elected was set at six, with one alternate being called for. Elections will be limited to those girls or boys within the sophomore, junior, or senior classes. No freshmen will be allowed to cheerlead. Each candidate for the positions will be asked to submit a written statement of his or her desire to be reviewed by the student

affairs' committee. The statement will be due one week before the elections are scheduled. The committee will then select ten or twelve candidates to be allowed to run for the positions. Election will be permanent for two years, with the condition that a 2.35 grade point average must be maintained during that time. Provision for a sponsor was made. The position will be determined by the P.E. Department.

Following that discussion, David handed out a tally sheet to each of the members present. The sheet was concerned with the problem of Pledge Week. The group agreed that Homecoming and Pledge Week should be separated, and the sixth and eleventh weeks were suggested for Pledge Week.

David reported that he had discussed The SA's ideas for alumni contributions with Dr. Gilliam and Dr. Ganus. Dr. Ganus felt that the purchase of two college station wagons would be beneficial. David reported on responses he had obtained from various students concerning the suggestions the Council made. Library improvements, science building furnishings, and dormitory improvements were the projects that received the largest amount of support. The group then discussed ways of encouraging student participation in such projects.

The Council agreed to gather the dislikes of Harding students in order to advise or help Dr. Ganus in his plans.

Dave Young reported that signs for the offices in the Student Center were in the process of being ordered. He promised a more definite report next meeting.

Because there was no additional business to be discussed, the meeting was adjourned.
