## Purple, Green and Blue

Alex Curran-Cardarelli

I've kissed men I never wanted to kiss

26,000 unreported sexual assaults in the military

For fear of being called a fucking bitch

-only 238 convictions

Most of the time there wasn't any lust— What did these geniuses expect...

Still I'm known as a dirty freshman slut

When they put men & women together?

Because I didn't want to be a bitch

And the girls—

I let one of them bruise my so-called "tits"

We're supposed to call them women

And still known as a dirty freshman slut

But they're girls to me

I wrapped my chest with ice— never discussed

Grab them by the pussy

I let one of them bruise my so-called "tits"

It must be a pretty picture

Because my approval had been dismissed

You dropping to your knees

I cried as I wrapped my small chest in ice—
A person who is flat-chested

For four or so days the bandage sufficed

Is very hard to be a 10

Because my approval had been dismissed I just kiss, I don't even wait
I couldn't stop the scratching on my hips And when you're a star
For four or so days the bandage sufficed You can do whatever you want
It was excused as his natural vice
You have to treat them like shit
