Broad Street Church of Christ

GILBERT E. SHAFFER, MINISTER
P. O. BOX 474
COOKEVILLE, TENNESSEE

Pulaski, Tenn.
March 15, 1960

Mr. John Allen Chalk
Cookeville, Tennessee

Dear Bro. Chalk:

I appreciate your letter and the bulletin. You are working with a very wonderful body of people. Mrs. Shaffer and I spent seven very pleasant years in Cookeville. They were good to us at all times. It was a hard thing to do to move from Cookeville. However, Pulaski had offered us the work four times before and each time we turned it down.

I wish for you the best of everything in your work there. Broad Street has much potential power and especially financially. If it can be unleashed at least two more preachers could be supported. I had in mind, if I had remained there, to try to get them to put another man in the field after the indebtedness was cleared.

Please give our regards to each and every one as you have the opportunity. There is a splendid group of young men and women there. As you know there are not many children and that makes it hard on Bible School attendance. Many of the older people just never have attended the Bible classes.

Sincerely,
Gilbert E. Shaffer
