Dear Brother Murphy:

The schedule at the College does not allow for time off at Easter. That means I will have to come in June. June 11-18, 1961, seems to be the best for me. The first week will be spent in tests and final school work. I have one other meeting the last of June.

If this date is not suitable, I could come the next week. However, you can inform me of the elder's decision. Would it be possible to begin on Sunday night? I hope so as this works out better for me here. I will await your reply of confirmation.

Fraternally yours,
