Church of Christ
Cookeville, Tennessee

Dear Brother Chalk:

I hope you are fine and all yours along with the whole church. We are doing nicely in most every way save for little back and stomach flare up with me. Do not have time to pay it too much attention so it seems to be receding, I hope.

Brother Chalk, I have a niece and nephew that plan to come to Cookeville for the summer on a national science scholarship. Their names, Mr. and Mrs Gene Codner, and both are faithful members of the Lord's church. I have notified them that I would expect them to go to Broad Street to worship. I have given them through her mother your address so that they may write you relative to possibility of a place to stay and take their meals out. I am sure that you will hear e'er long. I will personally appreciate any advice and help you can give them. They are nice people. Both have Master's from Harding College.

Meeting going well with good attendance and having some altogether new faces along and that is good. At least eleven non-members present last evening, may have been more.

Will be writing the elders at the conclusion of the meeting.

Give my love to all there. With every good wish I am

R.C. Walker
