Dear Brother Chalk:

Thank you for your letter and suggestion concerning the church in Knoxville. I have written to them and suggested that I could speak for them on April 26th. but so far have not had a reply. Perhaps they are checking my references.

We hear good reports from your work there and I know that you are in a difficult field to get much accomplished. Evidently yours is one of the best works that has been done there in some time.

We have heard from the brethren at Baxter and might be interested in that work except for the finances. If they haven't gotten a man by the time we get there we hope to visit with them about the work and see what can be worked out. That seems to be ideal in so far as getting a degree is concerned.

Thanks again for your interest.

Yours in Christ,

Paul L. Watson
