Dear Bro. Chalk:

We would like to have you for a meeting here with the Fulton congregation soemtime in the near future and were wondering if it would be possible for you to give us a date.

We have our schedule completed for the next two years, but since three years is a great deal of time to Bro. & Sister Ben Brumley, your devoted grandparents, and since I'd like so much for their sake for them to be here when you come, it is just possible I could explain the situation to one of the other preachers and get them to exchange places with you. I am sure we'd have no trouble along that line. We have meetings booked spring and fall of next year, but frankly it seems that we always have a better meeting here in the spring than we do in the fall. Could you arrange to come, day, sometimes in April, May or June of next year? Please let me know at your earliest convenience if you could come next spring, and if not then, if you could come in the late fall. I will then get in touch with the preacher scheduled at that time and see if we can make the exchange amicably and let you know definitely the time for the meeting.

John Allen, I do hope personally that you can come, first because you would hold us a great meeting as I have heard of many concerning your capabilities; and secondly, because of Bro. & Sister Brumley, two of the finest Christians I know and whom I esteem highly as friends. They have said little about getting you themselves because of their relationship to you, but I told the elders that I knew it would thrill them for us to have you as they think so much of you and I am sure you can appreciate the situation and the need of your coming as soon as possible as they can't possibly be with us much longer.

Please let me hear from you soon. With every good wish, I am

Fraternally yours,
Paul D. Murphy
