Mr. John Allen Chalk, Minister
Broad Street Church of Christ
Cookeville, Tennessee

Dear Brother Chalk:

I had two young men in mind when I talked to you last week. Since then I have talked to both of them. One plans to continue his schooling for another year and the other one has recently accepted work ~~for the~~ ^{with a} congregation here in Nashville. The only other possibility that I have at the present time is a fellow who finished here last year. He has been working with the Church Street congregation in Lewisburg for about three years and might be interested in making a change. He is an excellent song leader and has a good understanding of what is needed in the educational program of the Church. He has been doing this type of work in Lewisburg. His name is Neil Anderson. You may want to write him in care of the Church.

If I can help you further, please feel free to call on me.

Sincerely yours,

Joe Sanders
