Our people were greatly pleased to learn that you will be with us for a meeting next summer. A majority of us prefer the later date that you suggested. I believe that the time that you suggested was July 16-23.

Our farmers will be completing their crops about that time, and we can probably have better crowds. Also, our schools will probably be starting for the summer term.

Please confirm this schedule by writing to our secretary, Mr. H.C. Carothers, Adamsville, Tenn.

Yours truly,
