CHURCH OF CHRIST

DON FLATT, MINISTER

MOREHEAD, KENTUCKY

Dec. 17, 1960

John Allen Chalk
Broad Street Church of Christ
Cookeville, Tennessee

Dear John Allen:

I am pleased to hear of the good name you are making in my home town. Recently, during a conversation with Coach Oldham, he spoke very highly of you. He was one of the friendliest men I have met.

Since Broad Street made a contribution to our building fund, I am sure that you would be interested in knowing that within just a very short time, we will be meeting in our new building. This is largely because of so many interested brethren like the ones in Cookeville.

At the present time, we are making a final appeal in order to raise money for our seats. They will cost \$2,000; we have raised \$1,000. We sincerely hope that you will refer this matter to the elders whom we pray will respond if at all possible.

Since I obtained my Master's Degree here last year, I am teaching in high school this year, in addition to my duties as minister. Through President Doran, a member of the church here, I have a wonderful opportunity of moving up into a college position after I obtain some experience in high school. In the last six years, our college has grown from 600 to 2,5000.

We attended the Freed-Hardeman Homecoming; I am sorry that you could not make it.

Carolyn^{and I} have a two-year-old son, David Doran. We are looking forward to increasing the size of our family in May.

I hope to see you when I am in Cookeville again.

Sincerely,

Don
