Dear Hohn Allen & Sue:

Just a note to say thanks for all your good work here in this area. It was so good to have you folks back even for a short while.

I certainly appreciate your friendship and you are both a great inspiration to me. Keep up the excellent record you have made and soon you will be President. It's my ambition to have the first lady and the president insured with me and to make a few week end trips to the WHITE HOUSE. So lets go man!

Love you all very much.

Dean
