Dear John Allen :

Remember, the vacation Bible school will begin here at Smithville on May 20th, 1963 The (May 20 - 25) time of these classes will begin each evening at 7 P.M. and will last until 8:30 or 8:45 P.M. We find that it is more effective to have the school at night rather in the day.

You will be teaching the auditorium adult class. If you can direct the singing for the kids and carry on a short Bible quiz just before going to their classes, it will be swell. They liked Buford Holt very much, as he helped us for the past two years. Please let me know if you will do this.

You will be expected to use as your theme: "Encouraging Would Be Teachers". We felt you could inject a shot in their arms to make them want to be teachers. That is our weakness here. We have to beg people to teach classes. So, Hohn, please drop me a line and let me know how you feel about the suggestions.

Respectfully, Yours in Christ
