Dear John Allen -

Thanks for your letter a few days ago - I know you stay busy - but that's good for you. You wouldn't want it any other way.

I don't know how many times we'll be going up to Oak Ridge but will try to stop off sometime. When we're going straight through we usually go by way of #26 though.

Did you know about my wife's father ("uncle Tom" Williams Henderson) passing away Saturday a week ago? Your mother and Daddy came over.

The reason for this note is to tell you about some students from here now enrolled in T.P.D. that are

HOWARD JOHNSON RESTAURANT, ADJACENT

members of the Church. If you don't know of them already I know you'd want to, and if they're not contacted right away it might be easy for a falling away to occur. The ones I know about are:

Suzanne Holder

Robert Medlin

John Wayne Wallin

The last one is a very good friend of our son Johnny and I wish you would not only latch on to all 3 but put John Wayne to work. He is a member of the Allen & Edgewood congregation and has assisted at the Lord's table, etc and needs to be kept busy. Don't tell him I said so - he might resent it but we wouldn't want to see him inactive.

Johnny (our son) is enrolled at FHC - majoring in Bible - has 2 courses under Pro. Hall and we hope is on his way!

I don't know any others coming  
your way but didn't want to wait  
any longer to let you know. If  
I hear of any others I'll let you know.

I know you and Elmer are doing  
a good job and can do much with  
the students there.

I always enjoy your bulletin.

Fraternally yours,

Roy C. Polk
