Mr. John Allen Chalk

Cookeville, Tennessee

Dear Brother Chalk:

Here is a hope and a prayer that all things are running well with you and with the work of the church at Broad Street. We are doing very well, and with sickness letting up show signs of coming back to where we should be in attendance. I have weathered a lot of winters but think the one just past has been the most rugged in a number of respects.

It is our plan by the grace of the brethren here to attend the Wednesday evening services at Broad Street April 3rd. Hope to see you there and then. Nothing special in mind just wanted to come by and visit. Also want to set the time with Brother Howell for the singing school here.

Eula Phillips told me of seeing you at Dayton. Certainly looks as though heart trouble has been hitting her family hard in recent years and understand two other brothers have it too. I am happy to say that she arrived home safely, for which we are thankful.

With every good wish and desire for you and the work there, I am

In Christ

R.C. Walker Sr

P.S. We'll be heading into Nashville immediately after services. rcw
