OFFICE OF THE PRESIDENT

Mr. John Allen Chalk, Minister
Broad Street Church of Christ
Cookeville, Tennessee

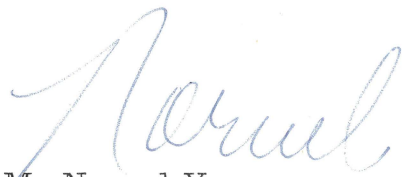

Dear John:

Congratulations on the forward looking plans revealed in this week's Christian Chronicle. I have heard of the good work that you are doing there. In fact, mutual friends have recommended you to several congregations in this area, including the Lompoc church. After seeing these proposals I can understand that you are in the midst of a program that shouldn't be interrupted for a time. However, I hope you will think about moving to California when you have completed your ministry there.

Knowing something of Tennessee and Cookeville, I am very happy to see this indication of such vitality. I am sure it will mean a great deal for the area and also for the mission work that can be done from such a large base.

We would be happy to have you submit an article for 20th Century Christian when you have the time. Also, I hope that you will consider the family plan for the church there for 20th Century and Power for Today. I am not in that area so you may already be doing it, but anyway my main purpose in writing is to wish you well and to congratulate you.

Cordially yours,

M. Norvel Young
President
