Dear John Allen:

We enjoyed your letter and appreciate your taking time out of your busy schedule to write. I am inclosing a copy of a letter that I have just written to brother North. I appreciate your mentioning me to him and I wish I could take advantage of the invitation, but as the letter explains, I will be unable to leave the plant at that time.

We are still hearing good things about the meeting and feel that it was truly a success. We enjoyed having you in our home, and look forward to having you and your family again soon. We hope to see you during the F.H.C. lectures, but be sure to come by and see us if you are in Jackson.

Barbara Wilson Higgs is attending services at Skyline Drive and her husband has been coming with her on Sunday morning. We were glad to have her and hope we can convert him.

Martha Polk is recovering from surgery which she underwent the day after Christmas. She is home now and doing nicely.

Thanks again for the recommendation; just wish I could be with you.

Yours very truly,

A handwritten signature in cursive script, appearing to read "Jack", is written below the typed closing. The signature is fluid and somewhat stylized, with a long horizontal stroke at the end.

Dear John Allen:

Dear brother North:

We enjoyed your letter and appreciate your taking time out of
you I appreciate so much the invitation extended to me in your
letter of December 28th. I regret that I will be unable to attend
the encampment. Our spring sales campaign at the plant will be
in a full swing at that time and it would be impossible for me to
get away.

Thank you so much for the invitation and if, in the future,
I can be of service to you and the brethren, let me know.
and look forward to having you and your family again soon. We hope
to see you during the P.H.C. Yours very truly,
see us if you are in Jackson.
