Dear Brethren:

I did misunderstand the years for our coming meeting. In view of the 1967 date it will be possible for me to come the first full week in April, beginning on Monday evening, April 3, and continuing through Sunday evening, April 9, 1967. Please confirm this date if suitable to you. My best regards to all.

Dear John:

Your letter came this morning, and it was a real pleasure to hear from you. Also, I want you to know that having you in our midst was certainly an inspiration to my family, as well as so many other people of McGregor, and even now we look forward to meeting with you again. Thanks for the interest that you manifest in Wayne, and if some day I should see in him the accomplishments that I have already seen in you, this would be the fulfillment of a great desire.

As to the date of the meeting, I fear we may have different years in mind. Actually, we intended to engage you for the year 1967, as we already have a date for 1966 with Dick Daughtry. So we are wondering whether you are thinking of 1967 or 1966, as you state in your letter. If you have the first week in April booked, then we would prefer the one you mention, beginning during the last week in March. I shall look forward to hearing from you on this matter, as I have been instructed by my fellow elders to ask you about this.

Again, I want to thank you for all that you have done for the local congregation, and to send kindest regards to you and yours.

Yours in Him,

*Freddie*

I surely would appreciate being put on the mailing list for your bulletin, as they make us feel a bit closer to you and your work. Wilburn and V. C. pass theirs on to us when they happen to think of it.
