Dear John Allen,

The Saints at Highland have been blessed again! There was much rejoicing around our house this morning when we got the news that the Chalks had decided to stay in Abilene and work with the Highland congregation. This is just wonderful. We are so thankful that you have made that decision even though we are no longer active members at Highland. May God bless you and your family.

The Cobb family is coming along nicely. We are enjoying the summer as we have been camping out in the wild country (in a tent no less). The female part (by far the majority) of the family has spent a lot of time in the pool and beside it.

We are leaving on our vacation this Thursday to visit my family back in Alabama. We were so sorry that we missed you on our visit to Abilene but felt that it was the only time we could get off to make that trip. We will check with you next time as I want to get repaid with some of Sue's real fine cooking. Hope this finds her and the kids well.

We enjoyed a visit with Dean Dennis and his family this past week-end. You know he is Necia's cousin and preaches for the Northside congregation in Santa Ana. They are truly dedicated to Christ and we feel a much closer relationship with Him after their visit.

Please excuse my typing as it is pretty poor. Just wanted to tell you how happy we are that you and the elders at Highland have made the decision. We will continually pray for you and ask that you do the same for us. Tell everyone there hello for us and give our love to Sue, Mary Beth, and "Big John". Come to see us when possible. With warmest personal regards, I am

Most Sincerely,

memo
