Dear Bro. Chalk,

You'll never know the contribution you made to us yesterday (Sunday), especially the youth. Good comments are ringing all over this city. This Rally was the greatest event I've witnessed here. (even missing half of it). It was just great speaking for and with the Young Men of Dallas, Thanks for a job well done.

Sorry for the delay I cause you with the baggage from the air port. Every one I asked wanted to stay and listen to you, so I went alone. I had problems parking, (no parking zone) in to pick up the baggage which required assistance due to an over charge. I also missed the 7:30 P.M. Flight Sunday Night. I mailed your packages by parcel post this morning, it should arrive Wednesday. I used the church address. I didn't have yours. I hope they'll arrive safe, don't pack to well. My group will take all responsibilities so forget any in conveniences you may be thinking of.

John, maybe next time you can come by and visit or at least talk longer. However, anytime you and the family have the opportunity stop by to spent some time with us, weekend if your schedule will allow. Ruth and I can't mind surprises, anytime planned or unplanned. We might beat you to it. Give our hellos to the family.

May God continue to bless you. Thanks again for such a wonderful contribution.

Brotherly love,

*Ernest D. Wyrick*
