Dear Roger:

How thoughtful of you to write. I was thrilled to learn that things continue to go well with you and your family. I still remember with much pleasure our associations together in Cookeville. It was a great time and I will always cherish those memories.

I have experienced unimagined spiritual growth these past few years under the pressures of Herald of Truth radio ministry and now with the unique challenge of preaching for the Highland congregation. God has placed me here to learn some lessons and to gain some insights that I would never learn or gain anywhere else. I ask you to pray for the opportunities and the responsibilities facing me and this church in the days ahead, just as I assure you of my prayers.

Your kind remarks about my Herald of Truth radio presentations were appreciated. I feel strongly about the things we were able to do in the three and one half years I was on the air. I also feel that another era has opened up in my life and ministry. Sue, Mary Beth and John all send their love and regards. I do hope to see you sometime in the near future.

Your brother,

John Allen Chalk

Dear John Allen,

Just a note to congratulate you on your new position. I was surprised to hear of your change in plans but I know you will do a great job there. I am still working with the River church and with the school system.* So - all systems are go! (It seems we are always going!) I can now see how a busy schedule, such as you had in Cookeville, can really ~~cause~~ cause one to wonder if we are putting emphasis on the proper things in life. I miss hearing you every Sunday on Herald of Truth. Batsell does a wonderful job. But, of course, the approach is different. If you ever have a chance - write or visit.

Sincerely your friend,
Roger

*And doing graduate work!
