Thanks for all the "lovely" material you sent me recently! I had to censor all of it before I could even look at it myself. You all certainly do have a lot of "nice" things floating around in your area, but I don't think that's peculiar to Detroit alone.

I would be very interested in knowing how Albert Lemmons did in his work with you at Highland. I know him and would be interested in how his viewpoint and approaches sounded in a metropolitan and urban center like your own.

I suppose my invitation to speak on that particular lectureship, like the plans for my going back on Herald of Truth, remain somewhat vague. I do appreciate the fact that there have been a lot of requests, as you call them in your area (the only thing you didn't define was what kind of request!); we have also had a lot of "requests" out of the Southeast but down there they have been requests for public hangings!

I continue to hear great things about what you are doing at Highland. I send you my very best wishes and prayers for your continued work.

Your brother,

John Allen Chalk

Dear John:

I was in Atlanta recently and tried to get in touch, but they said you moved back to Texas or something like that... not really, but I thought I'd rub it in on a fink!

Kathie, my wife, promised you a copy of the "South End" which is Wayne State University's daily. Enclosed is a sample with a special article for you on the inside. Also, a picture for Sue and the Lit department's quarterly

This school has got to be tops in the rank trash field!
This issue of the paper is actually mild.

A year ago you were with us. It is still a favorite memory for many. A.G. Lemmons begins with us for a weekend tomorrow. I don't know him, but some of the elders do. Note brochure.

I'll be with Dave Graf for a Chicago Land youth rally, next week. We were both disappointed F-HC didn't book you on Lectures featuring theme - "Liberalism in the Church."

We are working hard for the program in Detroit area now - H of T. When do you come back on? We've had alot of requests, if that is any consolation.

Let me know if you have plans to come this way. Keep in touch.

Brotherly,

Doug Kostowski
