Dear President Evans:

The opportunity to be a part of your 22nd annual Lectureship was highly enjoyable. Thank you so much for including me in a lectureship schedule that I think was outstanding. The opportunity to work and visit with men like Humphrey Foutz, Andrew Hairston, Roosevelt Wells, Grover Washington, G. P. Holt, R. N. Hogan, Eugene Lawton and others was profitable and inspiring.

Thank you for the leadership you are bringing to Southwestern Christian College. Thank you for the kind of life you and your family are living as a Christian witness to your brethren, to the whole community of Terrell, and to the entire state of Texas.

I was pleased to have a small part in this great program.

Your brother,

John Allen Chalk

Dear brother Chalk:

The Thirty-Second Annual Lectureship of Southwestern Christian College will convene November 23-27. The general theme of this meeting will be "We Have Seen Strange Things Today." A number of speakers from throughout the nation will speak on this timely and important theme to the hundreds of Christians who will be on our campus for this meeting.

I am pleased to inform you that the Lectureship Committee has selected you to serve as one of our guest instructors in the Lectureship Workshop. We would like for you to teach three one-hour classes, using the lecture or discussion method at your discretion, on the subject "Youth In Revolt: Drugs, Sex, Materialism." The dates and time for these classes will be November 24, 25, and 26, at 10:30 a.m. In developing the assigned topic, we would want you to point out the responses of Christian youths to the explosive issues of drugs, the sexual revolution, the draft, war and materialism. We hope that you will be available to participate at the requested times.

Please inform us of your decision regarding this invitation by returning the enclosed self-addressed, stamped card at your earliest convenience.

We shall look forward to receiving your reply.

Sincerely,

Jack Evans, President
