Dear George:

Thank you for your kind letter. It was thoughtful of you to write.

I am glad to hear that you are attending the Brentwood congregation. I know many of the people at Brentwood and treasure them highly. I think you have accurately assessed the atmosphere out there. You will find Ray Chester a very stimulating and inspiring man. I think highly of Ray and his spiritual insights.

We obviously miss you here in our work at Highland. I had looked forward to our becoming even more closely associated. The attitudes and conditions that need so much attention here are the attitudes you have felt most concerned about. I hope that you will find your new work rewarding and refreshing. We treasure our friendship with you and Pearl and look forward to opportunities in the future to be together, and even to working with you again.

Your brother,

John Allen Chalk

Dear John Allen,

I've meant to commend you on your decision to stay - and on the good lessons. Wish I were there to hear all of them. I know you and Sue will be good for Highland. So bad you had to go through such a period of turmoil before the decision. I'm glad for Christian Homes that Sue will still be there.

I'm enjoying my new work - still getting acquainted and oriented. Probably still be in some state of confused orientation all the time.

Ray Chester of Brentwood is on vacation. Bill Proeger and Charles ^{Stewart} are filling in for him. I don't know who Bill Proeger is but he had 2 good lessons a week ago.
