Dear Gary:

Thank you for your letter of July 5, and the good news about the work in Huntsville. I would like to be with you for the "Youth for Christ Rally" on the 6th of September, but I cannot consider it this year due to a new work I have accepted.

On the first of August, I will assume the duties of full-time minister for the Highland church here in Abilene. I will not be able to schedule any out-of-town engagements for some time to come. I certainly appreciate your invitation, and express my hopes that this rally will be successful for all concerned.

I send you my prayers for your personal activities with the young people there as you try to share the good news of Jesus Christ with them and others.

Fraternally yours,

  
John Allen Chalk

Dear Bro. Chalk,

I hope this letter finds you well and doing much to further our Savior's Cause.

I am especially interested in having you come to share September 6th with us in our "Youth For Christ Rally". Many great things are happening in Huntsville and much is being accomplished in the Lord's work. We are looking forward with great anticipation to this year's rally. Our youth rallies in the past have been a real success and we expect nothing less for this year's. We would like very much to have you come and be with us and to help make this rally the greatest ever. Please contact me as soon as you know something definite.

I pray the seminar will be a great success and my prayers are with you in "His" work.

In Him,

*Gary Ealy*
