Dear Archie:

Our office has been in such confusion since I returned from vacation that I haven't had time to answer your question regarding the Liberian report. Obviously I will not be able to be with you on that Sunday due to the demands of our work here. I would love nothing better than being there. Rosevelt and Andrew became even more genuine friends of mine as a result of that trip than ever before. I know they will thrill the membership at Decatur with their report. I deeply regret that I cannot make it for that Sunday.

Things continue to go well with us here. The burdens are great but the opportunities are also. I covet your continual thoughtfulness of us before the throne of God as we remember you and the great work being done by the Decatur congregation. Thank you so much for the Christ-like spirit manifested throughout the difficulties, throughout the time of tension caused by our decision not to move. In talking to Steve by telephone I have again seen the worthiness of what is planned and what is being done in Atlanta. You have our prayers and greatest respect.

Your brother,

John Allen Chalk

Dear John,

Enclosed is a letter from James Nichols which I certainly appreciated and felt that you would too, so I wanted to share it with you.

I do hope that all is going well in your work with the Highland Church.

Please give our warmest regards to Sue, Mary Beth and John.

When you have a moment, John, I would appreciate hearing from you regarding your plans with reference to the possibility of being a part of the Liberian Campaign report this coming weekend, and I would also be interested in knowing where you will be staying in Minneapolis during the U.S. Congress on Evangelism.

Give my regards to the revolutionaries there, and may God continue to use you and bless you.

Sincerely,

Archie B. Crenshaw
