Dear Woodie:

Thanks so much for your letter of February 6. I deeply regret that we couldn't get together on the telephone. My schedule and yours just didn't seem to match.

I can certainly appreciate the kind of hours you are having to keep--going to school and working is tough, enough even when your other responsibilities such as family are back in Dayton.

I am always inspired by your concern for your family as well as your effective service in the kingdom of God. I treasure you as a brother and appreciate so much your commitment to Jesus Christ.

I was thrilled to learn the good news about Dorothy. I do believe that your marriage and home life can be a very beautiful thing, and encouraging for others to behold as well as for you to enjoy. I believe that the arrangement for the summer could work out well for all of you. I send my prayers and deepest concern about all of you.

Your brother,

John Allen Chalk

Dear John:

Please forgive me for not answering sooner, your letter I received several weeks ago, for I appreciate deeply the genuine concern you have shown in every respect. I especially appreciate your concern for my family and their well being.

I have spoken with Dorothy and she has consented coming to join me here in California during the summer months, and if she likes it, there is a strong possibility of her remaining. Of course you must know I will rejoice in this becoming a reality.

Your wife probably mentioned to you that I called the other night. That call was pertaining to business of another nature which has subsequently been resolved. No doubt you have tried to return my call and consequently found me **not** at home. The reason for my continual absence is that I am working regular hours from 11:30 p.m. to 6:30 a.m. and in addition to that job, I am employed on a part-time job 3 to 4 days a week from the hours of 6p.m. to 10.

Please give my fondest regards to your family.

Yours in Christ,

WM/rlm
