Dear Bill:

Ron Phillips and I were pleased with the depth of our recent conversations in Los Angeles. The Pepperdine School of Law offers a significant challenge that Ron and I both find extremely interesting.

I approached the conferences in Los Angeles out of a deep self study and much clearer view of who I am and what I want to do with my life. As a result, I found our conversations much more meaningful. Thank you for the extra time you took to relate to these very same needs of mine. Your direct and positive insight was extremely helpful. I appreciated the critical questions you raised regarding my long-range participation in this and other areas of Pepperdine life.

At this point things are pointing to a favorable decision. Sue and I will pray and consider the matter more thoroughly, coming to a decision by May 13.

Please give Gay my personal gratitude for the special interest she took in the girls.

Sincerely yours,

John Allen Chalk

CHANCELLOR

Dear John Allen:

Dr. Young and I have been very encouraged by your apparently intense interest in the kind of thing we talked about by telephone two weeks ago. This is just to let you know we are dead serious and will be ready to get down to brass tacks when you are.

Give my love to Sue and the children.

Sincerely,

A handwritten signature in cursive script that reads "Bill". The signature is written in dark ink and has a long, sweeping underline that extends to the right.
