Dear Sister Reaser:

I can't imagine what it is about which you need to apologize to me. I deeply regretted that I could not answer your call the other day. There are twelve hundred resident members in the Highland congregation and approximately four to five hundred college students who attend here regularly. In order to provide for the needs of all of these people my time stays very tightly scheduled. You called at a time when I simply could not break away from my studies and ~~and~~ told my secretaries not to put any calls through to me. I know you understand and I appreciate you so much for it.

I am the one that loses when I don't get a chance to personally visit with you. I remember so vividly our many visits in the hospital. It was always a time of great encouragement to me. I do hope that in the future I can find the time to drop by your home and visit with you. I know that you can call on your many brothers and sisters at the Highland church. Any number of them do have the time and would like nothing more than to visit with you and to help you in any way possible. Please feel free to call on any of your brothers and sisters here at Highland. We love you and are praying for you.

Fraternally yours,

John Allen Chalk
