Dear Mr. Chalk:

I have received word from brother L. R. Wilson that you have accepted a position on the Hardeman Memorial Committee. Let me thank you for your willingness to help with this project. Those of us who owe so much to brother Hardeman will find making a success of this undertaking a particular satisfaction, I am sure.

I am sending a brochure and a subscription card and would like for you to indicate how many of the latter you can use on the return card which is also attached. Then the committee would appreciate it if you would make a point to see those who would enjoy making a subscription. Gifts are tax deductible and payable over a five-year period. We are finding that quite a few are interested in making gifts of \$500 or more; and, of course, with the total goal of \$325,000, we need many gifts in this category.

We would like for you to begin to make whatever contacts you will just as soon as possible. In fact, we hope to have all of the gifts in no later than November 1.

Thanks again for serving.

Sincerely yours,

  
James O. Baird
