Dear John Allen:

Even after the hard time that you gave me at Sedalia, I can still say dear J. A., no hard feelings among brthren. It was wonderful to see and hear you, you inspired us all to greater heights.

My dear friend, is there any possibility that you could come to Jeff. City some Wednesday evening to speak to this congregation to really set us on fire for our meeting in Sept.? Any Wednesday (or Sunday) between now and September 1st will do. What about the Wednesday night before you speak at Sedalia? That would be August 24th. Give this your prayerful consideration. This great mission area needs to be awakened. Your friend and mine, Mr. McDowell wants to purchase a 4 column ad in the local paper and invite all of his friends to attend the meeting. Do you have any objections?

My wife and I would like to invite you to stay in our home during our meeting. It would be such a pleasure to have you with us.

Please let me know about the one night stand here to help generate enthusiasm for our meeting.

Sincerely,

J. M. Swafford
