Dear John Allen:

It is always such a delightful pleasure to hear from you. And, as usual, you are pushing another worthy and challenging project - "Training for World Fund Evangelism".

Our elders and mission committee asked me to reply to your letter of November 17th regarding the possibility of financial assistance for the Harding Missions Seminar through the eldership of the White Station church in Memphis, Tennessee.

We are committed to the limit through 1967 and will not be able to share financially in this thrilling program. We are keenly aware of the need the influence and the impact of this tremendous project. However, we are not limited in our willingness and readiness to make it a part of our special interest and prayers.

I am sure you will be happy and pleased to get the news our congregation has taken on two new projects for 1967 in which you share a special interest - (1) \$100.00 a month to "Herald of Truth" and (2) adding Dwatt Gantt of Germantown, Tennessee, as our 12th missionary to work with Exodus/Toronto.

We continue to miss you in Tennessee, God bless you in His work.

Most sincerely,

*Dave Hearn*
