Dear Bro. Chalk:

Just heard you this A.M. 8:15-
from Union City. Just wondered
why you do not get down to preaching
instead of talking about like E. R. Harper?

No I am just teasing, it was truly
great! It was on "Conviction" I never
heard you in better form-

Your mail was hard to grow with
even beautiful and convincing and
pleading messages to surrender to the
Christ of Calvary.

Be careful son that you be not hurt
in all this heart-breaking confusion
among us to day. You are too great a
young soldier of the Cross to have any-
thing to hinder your next 50 years for
Christ and his great truths that the world
must have if we are saved here from all our
world destruction and in the hereafter. Remember
me, and we done know what the world must have.

Dear Bro. Harper:

I am just now replying to the very kind note you wrote me from Bemis. You had just heard my radio program on "Consensus and Conviction". As usual, your comments were extremely kind and uplifting.

I never cease to be amazed at the amount of work you continue to do for the program. It is always an inspiration to work and travel with you. I honor and respect you for your wisdom and experience and admire you for your stamina and conviction.

Always feel free to make any suggestions that you think would help produce a more effective radio program. I will respect any suggestion you make.

Thank you for your many words of encouragement and support.

Faternally yours,

John Allen Chalk
