Moms and I sure did enjoy the nice letter from our Sue and I sure did appreciate the nice letter letter from my Jac.

John Allen, I think your manuscript is dandy and the only thing I could think of, it might be a bit short. I would suggest that you write another chapter or a longer one as you mentioned. I just don't know about such things. Jimmy Allen had started a book and is going to lift one of his chapters for us. Wesley and Don (McGaughey) have announced their chapters as has Archie. We are moving.

We are adding hundreds of new names - about 4000 since December. As you move about, any interested Christian should be on our list and you send names and addresses and we will put them on. I sent the paper to all of the McClouthlin men at the office but never heard from any of them so took them out. I would like to send to their homes or to any others you suggest. I feel that High^{land} should go along with us on sending ACTION to every family @ \$1 and then never having to renew. After all, I have backed their work and their missionaries and will continue to do so.

Vivian and I are so happy we have the love and friendship of you two blessed kids. And we will ride the river with you - never forget it.

I will need March copy by Feb 1st or thereabouts.

So long for this time.
