Dear Brother Chalk:

The Eldership here has read your good letter of February 9 requesting a release from your commitment to a fall meeting here in October. They have asked me to write and urge you to come and be with us if at all possible the week of October 22, 1967. But if it is impossible for you to come, simply write us again and let your desires be known.

If you cannot conduct a meeting in Port Arthur this fall, would you be available to hold a meeting here in April 1969 or October 1971? The brethren here are very eager to work with you and believe that you would be able to greatly encourage this work. Brother M. I. Summerlin speaks very highly of you and is especially interested in seeing you come here and speak.

We will be looking forward to hearing from you and are grateful that we can have a small part in the wonderful work you brethren are doing. We trust that your radio work is still enjoyable and fruitful.

Cordially,

Robert Qualls
