Benton, Ky. 42025
R#6 - Box 144 Oct. 2, 1967

Dear Bro. John Allen:

Bless your dear, kind, thoughtful heart. Concerned, so soon to write to me and so busy, after your return from that long travel-trip. Appreciation! and I enjoyed your letter. Did you work things out "good" for the Lord, in Peru? I hope so. And again you don't fire back at me, tho' tired, for expressing me. Thank you. Takes Christ in us, not to, in love and in kindness I wish to express a little more. And don't you even return-comment, unless, you really wish to. Know you are so busy but I fear to rush you are for your physical - tho' you are young and youth can take a lot more. Now, a devout member of the Church said - he talks to fast for me, my brain can't retain all he says. Am sure he is a fine preacher for those who can keep up with him. She heard you in a campaign in another state. I too, feel that you do talk to fast, talking as fast as you did ^{at} Benton. I was lying down listening on Saturday night - real familiar with the prodical son subject, so I did fairly well, picking it up. But other wise, to fast for me too. John Allen you are above average in mental keenness. You had nothing to do with it. God gave it to you - but the fact does remain - you are keen mentally. You are above the average and therefore you
(over)

do not know how it is to be average and below average. You are quick and can pick up much, quickly. But average and under average is the "mind of your hearers". And son, this is not criticism, but is a fact.

Sometimes I wonder about Campaigns, to more so many. Sometimes I fear, for Campaigns Christians. Campaign one, the other one, Rejoicing in heaven over one that repents ^{TO} ^{MOVE} ^E One, which maybe would not give us a name among men. But will write our name in heaven, and that is enough for me. And of course you know that I am not saying that I don't want the last sored. God knows I ^{will} ^{the} ^{Widow's} ^{mite} ^{the} ^{best} I can.

Read one Action Paper. Read your good article, along with Bill Banowsky's and after I read bro. Bill's writing -- I feel -- Who is going to heaven? And of course, few are. But it can be done and by the help of my God -- I Ain't to do it. A bro. in Christ is going to home Action sent to me, I am so borderline poor. Do remember me in your prayers, please.

Christian love,

Sister Nell

would to God he would help me win a sweepstake, to make my way and be "free" financially

Heard the tail end talk of an infidel, saying, there are no lesser animals, making a play on "instinct". they bailed me and the following bailed out. Bits I gathered through life, I put together best I could and mailed it to Frank Blair and Hugh Page. How well do I know that I don't know how to meet the awful talk of an infidel -- but I just had to try. Know it will do no good.

Heard the man say, "he didn't think", there were any lesser animals. Ha, if old dog Rorer were endowed with common sense and the power to reason like us human beings, then he mean Master kicked his dog arse end. as it is, poor old dog Rorer's "instinct" only allows him to yarf and tuck his tail. No College ever gave a degree in Common sense.

Appointed unto man once to die, then the judgment Hebrews 9:27. I have a soul / far, to live after death. who will dare to say, I am not going to die. what then, after death? If nothing / is the person hurt who prepared him self for it. But, if there is something / and there is / what horrible eternity we awaits the unprepared, poor, deceived soul.

So Dad.

If we can, and we all do, believe one thing that God says, that is, we are going to die, then why not believe the all that God says?

I am a happy, devout follower of God and Jesus Christ, my savior. a member of the Church of Christ, the man can be this too. I would to God he would be.

Sincerely,

Mrs. L. D. Wilson

Heaven we can't enter in
if we die in ignorance and sin.
didn't send this -

I don't see TV but can get Paducah TV on my FM radio, given to me by two Christians, I've never seen, they heard about me, from one I do know. So the radio is how I heard the infidel - waiting to hear the weather report. One day I heard the talk of a preacher of some sort, expressing approval of such wickedness - it made me feel sick. Oh God, THE TRIUMPH OF VOLGARITY!
