Dear John Allen:

This personal note is to express to you my deep appreciation for your every effort in our recent California Campaign for Christ here in Los Angeles. I thought your preaching was very Spirit-filled and touched me for the better. I was profoundly blessed by your keen insights and your ability to motivate each of us to grow taller in the sight of God.

I hope I'm correct in assessing the fact that you overcame a great temptation of apathy on the part of so many members in the Los Angeles area. The Devil greatly tempted you, me and others of us who were so involved with the Shrine Meeting to let loose our grip on that which we had taken hold. But you grew taller as a result of a firmer resolution to preach the message of Christ in the face of crushing apathy. In fact, I believe we all were able to grow taller by this resolution. I thank God for that experience.

It is my earnest and personal prayer that God will allow the circumstances of life to so combine that our paths will frequently cross. May the past few days be but a prologue to a spiritual future for each of us and our families. Barbara joins me in sending our deep love to you and your family.

Sincerely yours,

Prentice A. Meador, Jr.
Minister
