Dear Paul:

I deeply regret being unable to help you regarding your request for a ten-to-fifteen-minute talk for your teachers. I would like nothing better than to participate in that meeting and would certainly enjoy visiting with all of your teachers via tape. Unfortunately, I am leaving town in a few hours (9/9/66) to be gone for several weeks. I will not have the time to record the lesson you requested.

I will see that your tape is returned to you under separate cover. I appreciate so much what you are apparently trying to accomplish at Mayfield. My prayers and best wishes are with you. I am sorry I did not get to see you during your recent visit to Abilene.

Remember our work in your prayers and give my regards to Brother Nichols.

Fraternally yours,

John Allen Chalk

Dear John Allen:

I need to ask a favor of you immediately. Our next Teacher's Meeting here at Mayfield will be centered around the theme of Preparing Our Young People for College, and we hope to have the majority of our college students present as our guest that night. In planning the program I am hoping to utilize three other speeches from persons outside of Mayfield, and I would like for you, if you would, to give a 12 to 15-minute address by tape which will be used as our keynote for the night's discussion.

I noticed in last week's Bulletin a recent address by you on Wednesday night entitled "The Ferment on the College Campus." Would it be possible for you to give us a condensation of your address? The other themes to be developed will be:

- (1) A curriculum for college students in the local congregation.
- (2) Opportunities for Christian service and fellowship on the Murray State Campus.
- (3) An address by Jim Bevis relating the Broadway Campus Crusade Effort, and the meeting in Dallas this December.

Possibly knowing the discussion of the other speeches will give you a better idea of what you might desire to say on tape.

My prayers and best wishes are with you in your work with Herald of Truth. You have a difficult job but a marvelous opportunity.

I know I missed you at the recent ACC Teacher's Workshop, but you were sufficiently crowded about that night to effectively block out those seated in the rear, and the tempo of the week prohibited my seeing you at Highland.

Give my regards to your wife.

In Jesus,

*Paul*  
Paul M. Cooper

P.S. Would it be possible for me to have the returned tape by Tuesday, September 13?
