Dear John:

I offer sincere apologies for not listing the radio Herald of Truth any more often than we do. To tell you the truth I can honestly pass the buck on it, however. I've told my secretary over and over to list it in that same section you circled on our last bulletin, but she's either forgetful, or considers it unimportant, or something. Now, she quit a few weeks ago, and we have a new secretary. I believe she will remember a bit better. At any rate, be assured that we do want to encourage people to listen.

I'm busy on my ACC lecture for February. Just had to call J. D. for an extension on my deadline. Keep up your fine work, John. You're one of our finest!

Brotherly,

October 19, 1966

Dear Paul:

Thank you so much for taking the time to reply to my recent letter. It was not at all necessary. I know you have a tremendous schedule with all the work you are doing there.

I am looking forward with great anticipation to your A.C.C. lecture in February. I am so happy that you were asked to participate in the lectureship. With the many currents at work within our brotherhood today, I deeply appreciate men like yourself who hold their convictions and stand by them without feeling the need to stampede or make a lot of loud accusations. It means a great deal to me to have your encouragement. Thank you so much.

My best wishes and prayers are yours for your continued effective work in the kingdom.

Fraternally yours,

John Allen Chalk
