Dear Don:

Unfortunately, I will be on my way back to Abilene from Nashville on July 30, the day you intend to drop by my office. I was disappointed, after consulting my schedule, to notice that I wouldn't be here. It would be a pleasure to see you again and visit with you, even for a short time.

I do hope to be in California and in your area sometime this fall. I already am definitely scheduled to preach in a short meeting at the Glendale congregation December 4-9. I hope to get to see you during that time.

You must be still working with the Norwalk congregation. I would like to hear about your work with them. You have a great deal to offer, and I know you must be enjoying the work there. Write me at your convenience and let me know how things are going. I send my prayers and best wishes to you and your family.

Faternally yours,

John Allen Chalk

Dear John:

I will be in Abilene July 30 at the Highland Building and I hope to get to visit you for 15 or 20 minutes.

I trust that you are settled in your new home and your work is going well. From all reports, I know that you are lending your usual influence for good.

In His service,
