Dear Bro. Chalk:

Received your letter of January '6 and happy to hear from you. I know what a busy man you are and thought perhaps my request had just slipped your mind. We thoroughly enjoyed your lesson the morning we attended services at Broad Street and wanted others here in Asheville to hear it. You said that it had been taped and that I could borrow the tape to use for my class. I am not exactly sure of the title but it was along the line of "Take the Light" instead of "Send the Light".

Please let me take this opportunity to thank Bro. Fisher for sending me the copies of his lessons on The Church.

I am most grateful for the opportunity to add your sermon to my "tape" library and will use it carefully and return it to you as soon as possible.

May the Lord continue to bless you in your efforts at Broad Street and in your future endeavor with the Herald of Truth.

In Christian Love,

Melvin Gambrell
