GEORGE GURGANUS
PROFESSOR OF SPEECH AND MISSIONS

February 7, 1966

Mr. John Allen Chalk
Box 574
Cookeville, Tennessee

Dear John Allen:

Enclosed you will find a study plan of my favorite course here in the Graduate School in our missions training program. I wish that you would look it over and give me your reaction to this approach. This particular study plan has been my guide for the past four years in the course in missionary principles and practices which is our basic required course here for the M.Th. degree and the one that I recommend for everyone. You will probably be interested in the references that I make to the negro - white relationships in the syllabus.

I am working on your bibliography in reference to the intercity evangelism projects. I hope to come up with something worthwhile.

In His service,

George Gurganus
