Dear Brother Hearn:

I will be happy to meet with some of your elders and the personal work committee in connection with my visit to Arkansas for the Harding College Lectureship. I am not certain at this time when I will be arriving or by what means. I believe that I am to be in Tennessee the two days prior to the Lectureship. It might be best for us to meet on Friday following the Lectureship.

Let me suggest that you send me your telephone number and instructions how to contact you sometime just before the week of Thanksgiving. I will then, by phone, be in contact with you; and, if possible, you can arrange the meeting you request in your letter of October 6.

I will be happy to meet with you and believe that I can offer you some valuable insights regarding the use of "Journey to Eternity." I appreciate and treasure you and others in the good church at Sixth and Izard. It will be a pleasure to meet with you.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

It is my understanding that you will be one of the speakers at Harding College during their Thanksgiving Lectureship. Since our return from the Madison Campaign we have been discussing the TV series "Journey To Eternity" with the elders of the Sixth and Izard Streets Church. It was suggested that I contact you concerning arrangements of a meeting with you and our personal work committee sometime while you are in Arkansas. I have talked with the personal work committee and two of the elders at Sixth and Izard and we can meet with you in Searcy or in Little Rock, if you have enough time. I feel that you could have a tremendous influence on the elders and the personal work committee concerning the TV series. We can arrange for a dinner meeting at the Harding College cafeteria or possibly we could meet your plane at Little Rock for the meeting and later provide transportation on to Searcy. If you have enough time to meet with us please let me know the date, time and place and we will make the required arrangements.

Also, would you please send me the address of the company which is making the new film strip series, "Fundamentals of Faith". We plan to purchase this film strip series as soon as they are available.

Sincerely,

James L. Hearn
