Dear Charlie:

I have definitely scheduled our Friday night, August 19, appearance at Vernon, Texas. It will be a real pleasure to work with you and John Hardin on this program. I understand that I will be speaking at approximately 8:15 p.m. on the subject "Why Have We Failed to Evangelize." Thank you so much for remembering my presentation of this same subject in Dallas. It will be a joy to work with you and to speak to the brethren there.

I probably will drive to verson, but I will not know my plans from there regarding whether I will spend the night and return Saturday or return that night until later. I have all my questions regarding our appearance there answered. If anything else does arise, I will contact you.

If there are further developments, I would appreciate a note from you. Otherwise, I will look forward to seeing you on Friday, August 19, in Vernon.

Fraternally yours,

John Allen Chalk

Dear Brother John:

I have now met with the Elders and have a confirmed program' at Vernon, Texas. It is the Paradise Street church.

They plan to make no collections; educate toward world missions the large area surrounding them church-wise; special a teen age study Sunday afternoon; and do some broadening of their own people's horizon.

Some discussion was had with me concerning some travel expense money for the speakers. Advertising material will be made up this week and I will get you some when they are available.

Friday, 19 August Mosman, Hardin, and Chalk with you having 0815-0900 pm "Why we are failing in world evangelism". I have in mind the material you presented at the Campaign forum from Psalms 51. Excellent.

If you would like to spend Friday night there, we will all have homes to stay in with the brethern. We might all have a breakfast at the Canton to see John Hardin off for Houston Saturday morning. I am assuming that all speakers will have appointments Sunday and leave at will.

Let me know what I haven't said.

In Him,

Charles H. Mosman
