Dear Warder:

Please accept my apologies for such a tardy reply. Your letter of August 4 was received, but schedule conflicts have not allowed me to be in the office much since that time.

I know you will enjoy your tour next year of the Bible lands. I think this same type of tour you led before will be appreciated by all who take part in this next one. I would suggest less time spent in market places and more time visiting actual sights and viewing the actual scenes. However, the composition of the group may require more of this than our group did. You might also want to give more attention to a few of the very pleasant spots such as Beirut and the Lebanese Mountains where more time could be spent in just refreshing sight-seeing.

I know that between you and Brother Enzor that a very profitable and enjoyable trip will be planned and conducted.

Fraternally yours,

John Allen Chalk

Dear John Allen:

The Enzor Travel Service and I are now in the process of planning another Bible Lands Tour for May, 1967 and it would be very helpful and much appreciated if you would offer any suggestions you might have from your experience with the 1965 trip to improve and make this 1967 trip even better and more satisfying. We always learn by our experiences, and I feel that you might be of great help to us at this time.

One feature of this trip will be a visit to the seven churches of Asia, and probably a stop at Petra.

Any suggestions or constructive criticisms of any nature will be genuinely appreciated. I know you are terribly busy but hope you can spare a few minutes of your time and let me hear from you soon. I certainly hope you will enjoy your new assignment in Abilene.

With best wishes and kindest regards.

Very sincerely,

Warder K. Novak
