Dear Linda:

I look forward with great interest to our youth rally with the church there on August 5. I understand I will be speaking that evening. I do not have a record of the subject I am supposed to use. Would you please check with your preacher or one of the elders and see if a subject was assigned. If so, I will be happy to hear from you or one of them reminding me of what subject was assigned; or if I am to make my own choice, I will be glad to let you know regarding it.

Enclosed you will find the material requested in your recent letter. I do hope you will be able to have a news story for your local paper. This should help make the conference even better.

I pray God's direction and blessing on you and your fellow teen-agers. I know that through your concern as Christians we cannot fail in our coming meeting.

Fraternally yours,

John Allen Chalk

Dear Bro. Chalk:

We would like to run an article about you in our local paper concerning your speaking at S.C.C. on August 5. Would you send us some information about yourself, such as birth place; colleges attended; degrees, if any; and anything you feel would show your qualifications.

We are looking forward to meeting you and hearing your message. Our Youth Rally promises to be a great success.

Sincerely yours,
