Dear David:

Your kind letter has been received and deeply appreciated. It was our pleasure to have you in our home during the A.C.C. Workshop. We are indebted to you for the special contributions you made to the Workshop itself by your very presence and participation.

I predict great things for the Exodus Stamford and want all of you to feel free to call on me any time you think I might be able to render any assistance.

Our prayers and best wishes go with you. The Lord will certainly bless an effort as well planned and as skillfully executed as this one has been.

Faternally yours,

John Allen Chalk

Dear John Allen:

It was a real joy to see you at the ACC workshop and to hear your excellent speech Wednesday night. I particularly enjoyed our session together at your house and the period of prayer we shared together.

You are doing great things for the brotherhood and our prayer is that the Lord will continue to give you strength and wisdom.

Come to see us when you are in the Stamford area.

In Christian love,

David Ralston
