Mr. John Allen Chalk
Cookeville, Tenn.

Dear Bro. Chalk;

Since talking to you last Oct. I have been very buisy getting back in to my routine of work after having been out of circulation for two and a-half months. We sure did enjoy our trip to Tenn. We went out to see Bro. Wakefield and work that he is undertaking. That is a wonderful oppertunity to do a lot of good. The good wemon of thiss congregation are getting together sheets to send them. I have written Bro. Collins and gave him what we thought would be a good central theme for the Forum in Jure. We have suggested that it be something on this order: SPACE AGE CHRISTIANITY*--WHAT IS IT? or DOES CHRIST AND THE CHURCH BELONG (Have a place) IN THIS SPACE AGE? Any comments and/or suggestions will be gladly received. Should thiis type of central theme seem approate and fitting to Bro. Collins he will select the nightly subjects that he will use and forward them to us and we will in turn post you as soon as they are in our hands.

Do you have a cut that you would send us that we may use in our advertising ?

We shall be sending out news letters soon to the area Churches relative to our meeting. We shall try to get a print in some of the brotherhood pappers.

There is much to be done and not too much time to do it in, as time swiftly passes.

Will you be movin g from Cookeville soon? Forward us any change of address.

We shall be ke eping in closer correspondence with you as time draws neerer for our m eeting.

Yours In Christian Love

R.R. Smith (for the Elders)

P.S. We feel the suggested theme will be chalogening to the Public.
